

# MOORING PENDANTS

Novabraid **MOORING PENDANTS** are custom fabricated to meet your specific performance requirement. Common configurations begin with Novablue premium double braid polyester rope and include a professionally spliced soft eye on one end and a thimble on the mooring end. Custom elements include colored urethane coating, choke lines, chafe sleeve, floats, nylon - galvanized or stainless steel thimbles, double and split configurations. Each pendant can be shipped in a nylon storage bag for easy end of season wash down and storage.
