

NEPTUNE

NEPTUNE Novagold's colorful companion is the solid color Nylon Double Braid Rope that is designed for hard work on the boat, in the field, or around the farm. Made from a balanced core and cover construction, Neptune bridges the gap where controlled elasticity and energy absorbing qualities combine with high strength and good looks. Made from Nylon-6 Fibers, Neptune is ideal for dock lines and mooring pendants, anchor line and snubbers. UV stabilized solution dyed yarns keep looking good indoors and outside. Neptune splices and handles easily. Great for horse leads, dog leashes, rope handles, and any use where strength and tenacity are required. Not designed for fall arrest or human rescue applications.

Size			Approx. Weight		Approx. Ave. Tensile Strength

2"	48	6"	106.0	157.9	131,000	59,474

Features:

- Specific Gravity of 1.14
- High Energy Absorption
- Controlled Elongation
- High Strength
- Abrasion Resistance
- Mildew Resistance
- Urethane Coated Cover Available

Suggested Uses:

- Mooring Lines
- Anchor Lines
- Kinetic Lines
- Tow Lines

Manufactured by Novatec Braids Ltd.
234 Water Street, Yarmouth
Nova Scotia, Canada B5A 4P8
