

UTILITY ROPE

UTILITY ROPE is our general purpose, 100% multi filament, UV stabilized polypropylene braid with a parallel strand core. Its heavy sleeve construction and excellent core to sleeve balance, insure superior durability with no core break out. Novabraid Utility Rope is available in a wide variety of colors. Put ups include 3600 ft bulk containers, spools, cut lengths, and hanks.

UTILITY ROPE Specs

Diameter	Weight	Average Tensile Strength
1/4"	6	1,100
