

ARGUS

ARGUS answers the performance yachtsman's need for a lightweight durable rope for running rigging with minimal elongation at an affordable price. Developed by sailboat racers, this remarkable hybrid rope product blends UHMPE Spectra® fibers with low weight MFP in the rope core. Argus adds a color matched urethane coating to the core for added UV and abrasion protection. The cover is made with our durable marine finish polyester yarn in blended modern color combinations. The result is a rope that has excellent hand which grips well in rope clutches and jam cleats, while resisting abrasion and elongation. The bold new appearance gives the look and feel of exotic Grand Prix racing cordage at an appealing price to the club level racer or performance cruiser.

Spectra® is a trademark of Honeywell.

Size			Approx. Weight		Approx. Ave. Tensile Strength	
Dia. In	Dia. MM	Circ. Inch	Lbs./100 ft	Kg/100 M	Lbs.	Kg
5/16"	8	1"	3.0	1.4	3,500	1,588
3/8"	10	1 1/8"	3.7	1.7	5,000	2,268
7/16"	11	1 1/4"	5.5	2.5	6,500	2,948
1/2"	12	1 1/2"	6.8	3.1	8,500	3,856

Features:

- Exceptional Durability
- Durable Polyester Cover
- Lightweight Blended Core
- High Strength & Low Stretch
- Color Coordinated Coated Core for Identification when Tapered
- Grips well in Rope Clutches and Jam Cleats

Suggested Uses:

- Running Rigging- Perfect for Halyards, Jib and Genoa Sheets

Eye Splice Method:

- Double Braid Class 2
